Our journey to the highest award Scouting can offer, "Eagle" and setting the highest standards of living with each other.

Junior Leader Training

Great Job! All the Leaders Council and then some were in attendance at the church July 31st 2004. All the leaders were trained and counseled in their position. The leaders can earn their "Trained" patch when they have satisfied the last requirement of one hour of approved service project. Were almost there let's get it done! **See Your SPL!**

Camping

Camporee-Launch Your Boats!
Troop 2 Patrols built their boats and are ready to launch. Hurricane IVAN delayed the event but Troop 2 is willing and ready to compete. IVAN did work itself to keep Troop 2 from camping in September 2004, but we are more than ready to get back in the woods in 2004. New date is 10-22 through 10-24-2004. Troop 2 is sponsoring the Friday Cracker Barrel and the Compass course!

Outdoor Cooking

November is filled with cooking with all the trimmings. Learn to cook the whole meal and meet the budget. We will learn all the food groups and how to FUN cook outdoors. Be there in November 2004.

Winter Camping 2004

It's Polar Bear Time! Winter camping is the best. December 27-31st 2004.
